

Greyhound Racing NSW Appointment Of Directors

Expressions of interest are invited from persons wishing to be considered for appointment as a director of Greyhound Racing NSW.

Following the assent of the *Greyhound Racing Act 2017* (the Act), the Minister for Racing, the Hon Paul Toole MP, has established a selection process for the appointment of directors to the board of the new Greyhound Racing NSW body corporate. The new board will be responsible for the direction and leadership of Greyhound Racing NSW and the greyhound racing industry in NSW in accordance with the functions set out in the legislation.

The selection panel appointed to undertake the selection process will be looking for people with experience in a senior governance or administrative role or experience at a senior level in one or more of the fields of business, finance, law, veterinary science, marketing, technology or commerce.

Selection will be based on merit, with merit determined on the basis of a candidate's abilities, qualifications, experience and personal qualities that are relevant to the performance of the duties of a director of Greyhound Racing NSW.

Candidates should have regard to Part 4 and Schedule 2 of the Act, which set out requirements for GRNSW board directors, including that a majority of directors must be independent. All applicants should clearly specify in their expression of interest whether they are eligible for appointment as an independent director or greyhound racing industry participant.

A concurrent search process will be conducted to identify candidates suitable for consideration for appointment as chairperson and deputy chairperson. Potential candidates interested in the chairperson or deputy chairperson roles should have regard to eligibility requirements in accordance with Schedule 2 of the Act and nominate their preference in their expression of interest.

Proposed directors will be required to undergo a probity assessment before appointment.

Written expressions of interest - clearly marked private and confidential - may be forwarded by post to:
