The "Date of Race" is the date on which the NSW Greyhound Race occurs, which the reported bet or portion of a multi-leg bet relates to. The "Bet Result Date" will often be the same date, other than in relation to multi-leg bets that might result on the date of another NSW Greyhound Race or an event from another sport, racing code or jurisdiction. The bet should only be reported when it is resulted.

In relation to "Racetracks", the name of the NSW greyhound racetrack must conform to the name listed in the Annexure, or the Daily Report will be regarded as having not been submitted by the relevant Approval Holder.

Unless notified otherwise by GRNSW to an Approval Holder, each Daily Report must be:
